

Certificate

Cert. no.: 4-00686-2011 / Page 1 of 2

Updated certificate

Effective date of first certification: 2004-08-17

Issued to: **AGRANA Stärke GmbH**
Conrathstraße 7
A-3950 Gmünd, Austria

Austria Bio Garantie GmbH (ABG, code number: AT-BIO-301), carries out annual certification inspections according to the inspection/certification programme of the USDA/NOP-Final Rule on the organization mentioned above. ABG is an USDA-accredited inspection and certification body. Furthermore ABG is accredited according to the requirements of EN 45011 by the Federal Ministry of Economic Affairs and Labor. **This Certificate of Compliance with the USDA/NOP-Final Rule is to confirm that:**

- **all production standards in the fields**
- **all processing/packing/export standards**
- **the inspection and control methodes used for the product(s)/ the project(s)**

Organic starch, starch saccharification products and by-products based on organic corn, organic waxy corn and organic potatoes and according to the attached product list

are equivalent to the above mentioned strict regulation of the USDA on organically produced goods.

This certificate does not constitute any guarantee of product quality since inspection and certification criteria only refer to the standards mentioned in this document. It is only to confirm the quality of organic origin and the equivalence to the USDA/NOP-Final Rule.

In case of essential conditions of this certification should not be fulfilled, the certification may be cancelled and the certificate has to be returned to ABG. This certificate is not a trade certificate and is valid as original only. Copies have to be marked as such. **Certification good until surrendered, suspended, or revoked.**
